

DEBS BUSY REFUSING BAIL.

He Prefers to Remain in Jail, but Does Not Eat the Prison Fare.

TROUBLE IS FEARED IN MONTANA.

Troops Sent to Butte and Helena. The Strikers in Chicago Still Say They Will Win—Quiet in California.

CHICAGO, July 18.—Debs and his companions are kept busy refusing offers to furnish bail and adhere to their determination to stay in jail. They do not live in prison fare, however, but have their meals sent in from a neighboring restaurant.

They spent several hours in the visitors' room with other representatives of the union and their relatives, answering correspondence, and directing the movement of the strike. A short visit was made to the office of their counsel for consultation. The rest of the day was spent upon the affairs of the organization.

In the absence of Directors Hogan and W. H. Smith in the Northwest, and on account of the imprisonment of four others, there was no quorum in the Executive Board available. The Executive Board, which had charge of affairs, although the prisoners were consulted and issued directions in regard to the strike outside of Chicago.

STILL SAY THEY WILL WIN.

At Ulrich's Hall the road committees reported that the strike in the Northwest, and in Chicago, Director Burns, attending a mass-meeting of strikers at the hall, said that the strike was not yet over, and that the strikers were going to win if they kept up the strike.

The shops at Pullman will probably be closed in a few days. The total number of applications received by the Pullman Company from strikers who want to return to work is about 100. The strikers are getting plenty to eat, and every man, woman, girl, and boy is as fat as a pig.

At the American Railway Union, a meeting of the Women's Union at Pullman was the best of the women in the United States. Rev. W. H. Smith, pastor of the First Baptist Church, said after a conference to-day with Vice-President Wickes that there was a strong sense of the strike outside of Chicago. The officials say nothing.

Hart, attorney for the local branch of the American Railway Union, executed a subpoena to-day for the switchmen in the yard of the Southern Pacific, calling them to Woodland as witnesses in the case of Knox v. Southern Pacific. The subpoena was issued in the name of the American Railway Union, and the switchmen were ordered to appear in court to-morrow.

LOS ANGELES, CAL., July 18.—John H. H. Kelly, who was arrested in connection with the strike on the Atlantic and Pacific railroad, was sentenced to-day to the county jail for three months. The judge said that Kelly was a dangerous man, and that he was a threat to the peace of the community.

CONFEREES FAULTY AGREE.

A General Disagreement Report Will Be Made to Both Houses To-Day.

COAL, IRON AND SUGAR THE CAUSE.

Mr. Wilson Says If They Could Get To-gether on This All Would Be Well.—The Blame Laid at Gorman's Door.

WASHINGTON, July 18.—The Democratic conference on the tariff bill held a brief session to-day and adjourned before 12 o'clock. They made another effort to reach an agreement, but it proved ineffective, and the meeting adjourned with the understanding that the full conference of the committee to begin at 2 o'clock, would report a disagreement.

The conferees met again at 2 o'clock. Within a few minutes afterward Mr. Voorhees announced that it was apparent that the two houses were unable to agree, and it had been decided to report a general disagreement. The Senate Republicans stood up for the Senate bill, as did the Democrats, while the House held out for their bill, and it was formally decided that the disagreement would be reported to their respective houses. Before this Mr. Wilson, chairman of the Committee on Ways and Means, reported that if they could get together on coal, sugar, and iron, he believed they could reach an agreement. No proposition looking to this end was made, and the House adjourned without action.

TO MAKE THE REPORT TO-DA.

Mr. Wilson stated after the conference that he would make the report to the House to-day. He said that the House bill was a good one, but that the Senate bill was a bad one. He said that the House bill was a good one, but that the Senate bill was a bad one.

Mr. Wilson says the report will be verbal and will simply state that the conferees failed to reach an agreement.

JUDGE COOLEY'S LETTER.

He Pays a High Tribute to President Cleveland's Judgment.

WASHINGTON, July 18.—In view of criticisms that have been uttered in certain quarters on the legality of the course pursued by President Cleveland in using Federal troops, notably in Chicago, not to preserve the law, but to execute the decrees of the Federal judiciary, and keep the peace, Judge Cooley, of the Supreme Court, has written a letter to the effect that the President's action was a high tribute to his judgment.

WHAT THE CONGRESSMAN SAYS.

Both Manchester and Chesterfield are Represented in the Custom House and Revenue Department.

TIME BUREAU, RAILWAY BUILDING, WASHINGTON, July 18, 1894.

Congressman Branch, of North Carolina, to-day suggested a very sensible manner of disposing of the unclaimed bounty and pay due colored soldiers who served in the United Army during the late civil war. He introduced a bill providing that this money, a large amount of which is in the United States Treasury awaiting claimants, be distributed among the States of Virginia, North Carolina, and other southern States in proportion to the colored population of each State, for the erection of homes for indigent colored people and colored orphans.

He has Determined to Ignore Mr. Hazen's Demand.

JACKSON, MISS., July 17.—Governor Stone has decided to ignore the demand of Mr. Hazen, of the United States Treasury, for a copy of the list of names of the colored soldiers who served in the United Army during the late civil war.
